Registered Nurse

MANX CARE, ISLE OF MAN

Registered Nurse - Trauma & Orthopaedic Wards

Band 5

We are looking for an enthusiastic and professional Band 5 Registered Nurse to join our team within the Trauma and Orthopaedic Wards at Noble's Hospital. This is an exciting opportunity for either a newly-qualified nurse looking to take the first step in their career, or a more experienced nurse looking to expand their skills in trauma and orthopaedic nursing!

Located on the outskirts of Douglas, the hospital is set on a plateau overlooking open countryside. This role could provide you with an opportunity to become part of a supportive and forward-thinking team, all of whom are committed to improving outcomes for patients from our island population.

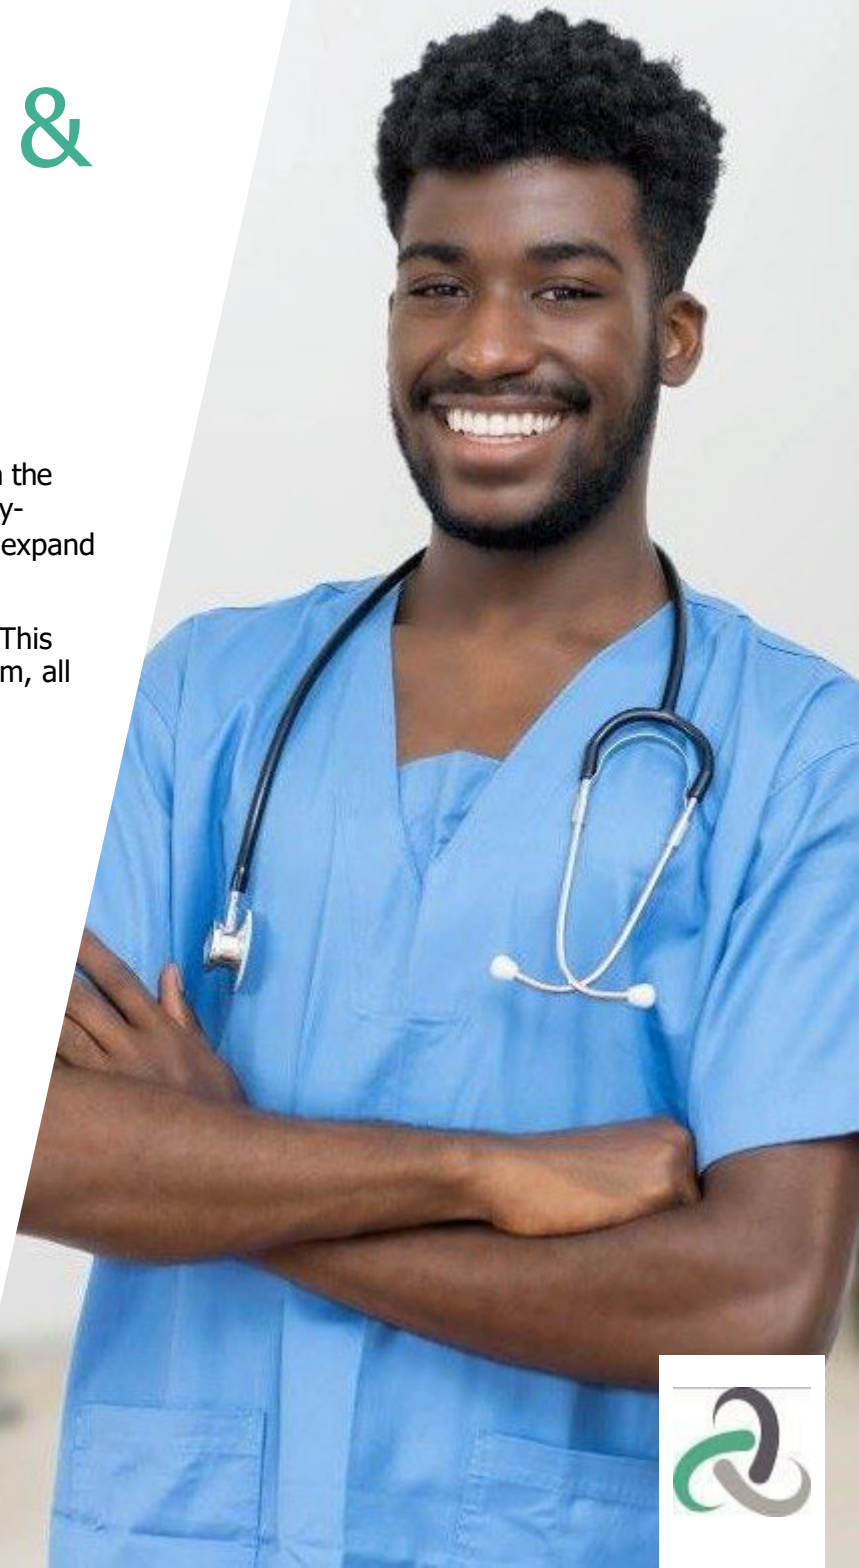

Responsibilities

Based in Wards 11 & 12 of Noble's Hospital, your responsibilities will include:

- The **assessment of care needs** and the development, implementation and evaluation of **programmes of care** for patients, to ensure delivery of a high standard of nursing care.
- **Organising your own workload** to ensure that the interests of patients are paramount and maintain **patient healthcare records** to agreed standards.
- Incorporating **health education** and **health promotion** within clinical practice through providing verbal and written information to patients/relatives/carers.
- Ensuring **effective communication** with patients / relatives / carers and other members of the multidisciplinary team, to ensure that appropriate information is shared and patient needs are met.
- **Supervising junior staff/students** who are providing care to patients.

Our Values

In Manx Care, we pride ourselves on being **committed**, **appreciative**, **respectful** and **excellent**. CARE represents what we are about, what we stand for and what we value. All our recruitment, performance management and development are based on our CARE ethos.

Qualifications, Experience and Skills

- You will need to be a Registered Nurse with **current Nursing & Midwifery Council (NMC) registration**.
- Have an understanding of **professional accountability** and act as a professional **role model**.
- Demonstrate evidence of **continuing professional education**, have a current **professional profile** and possess a good **awareness** of the current issues in nursing.
- Be an **effective communicator** and a **supportive team member**, with the ability to assist with the implementation of **change**.
- Be **flexible** to meet the needs of the role.
- Have a **keen interest** in the speciality and a **commitment** towards quality in nursing.
- Demonstrate evidence of involvement in **quality issues**.

Why you should join us!

- Your salary would be **£35,022** to **£43,979** per annum.
- A **relocation package** of up to £7,000, **Housing Assistance** and a **recruitment incentive of £3,000** are available. See our Relocation Information leaflet to find out further details!
- Competitive **annual leave** entitlement and a **rewarding pension scheme**.
- **Free car parking** on site at Noble's Hospital.
- Developing our team to be the best they can be is important to us and we actively support your own **personal career goals**, aspirations and development.
- Noble's Hospital operates a well-resourced education and training centre. We provide excellent opportunities for **professional learning** including an extensive CPD programme and access to Masters level qualifications.
- Manx Care has been shortlisted for a prestigious Nursing Times Workforce Award in the **'Preceptorship Programme of the Year'** category. This is for the Preceptorship programme it has established to support its newly-qualified Registered Nurses and Midwives throughout their first year of work. You can find out more [here](#).

More Information

Further information on the responsibilities and requirements of the role can be found in the **Job Description** and **Person Specification**. Please read these documents before submitting your application.
