

# Senior Surveyor

## Ship Registry, Department for Enterprise

Would you like the opportunity to have a **key role** in the Ship Registry **awarded the Best Shipping Registry 2019** by World Commerce Review?

The Isle of Man ship register has built its reputation as one of the world's leading registers with a dedicated team of professionals delivering a pragmatic, client-focused service, high regulatory standards, innovation, and a portfolio of quality clients. The Ship Registry is looking for a new Senior Surveyor to be part of the survey team for ships and yachts registered in the Isle of Man.

Based in the Isle of Man, the successful candidate will enjoy an exceptional quality of life and genuine work-life balance in a safe and beautiful environment offering high standards of education and healthcare. For more information visit [www.locate.im](http://www.locate.im) which includes information on the National Insurance Holiday for the first year of employment.

### Key responsibilities

You will:

- Conduct surveys, inspections and audits on board IOM registered vessels to **ensure compliance** with international regulations.
- **Assess and approve** drawings, statutory manuals and specifications for ships proposed for the Isle of Man Ship Registry.
- Undertake annual and renewal yacht code surveys for **commercial yachts** against the requirements of the Large Yacht Code ( LY1, LY2, LY3, Reg Code and PYC).
- **Undertake inspections** and surveys on Manx fishing vessels and other locally operating craft.
- Assist clients and **provide advice** to owners and managers on all technical issues relating to the operation of ships and yachts registered in the Isle of Man.
- **Assist** the Principal Surveyor on duty with day to day enquiries and administrative work.
- Prepare and issue necessary **international certificates** for ships as evidence of compliance with statutory requirements.
- Assess and approve mandatory manuals, plans and operational procedures for use on Isle of Man ships.
- Provide **specialist advice** to industry and Government on matters.
- Research **particular technical topics** with a view to providing advice on legislation, survey procedures and inspection methodology for those topics.
- **Assist with the operation** of the Isle of Man Ship Registry in, for example, development of procedures, design of forms and certificates, maintenance of records, and related matters.

Working together for the **Isle of Man**

## Qualifications, Experience and Skills

- **Relevant degree** or certificate of competence
- **Recent experience** at sea or recent experience in ship in section for Flag State, Class or Ship Management.
- A **high level of knowledge** of the work of a **Maritime Administration** and fully up to date with current conventions, shipboard practice and survey requirements.
- Ability to **review international requirements** and understand their application locally and the wider issues surrounding their adoption in Manx legislation.
- The ability to effectively **influence, negotiate** and **persuade** at all levels both internally within Government and with an international portfolio of clients; well-developed presentation skills.
- **Good analytical skills** with an ability to understand complex issues and to explain them clearly.
- **Technical and practical knowledge** of ship construction, equipment, ship types and designs.
- Ability to work accurately and with **attention to detail** and run with different projects concurrently and work unsupervised to deliver agreed objectives.
- Be confident, resilient & assertive, with excellent influencing skills and possess a **high level of emotional intelligence**
- Be self-motivated, reliable and **committed to achieving targets**
- Strong negotiation and persuasion skills
- **Charismatic** and able to motivate others
