

## **Job Description – Director of Learning for Science**

---

**Reports to:** Head of College

**Salary:** LAT Leadership Scale

**Purpose of Role:** To lead and manage the implementation of a challenging, coherent and cumulative science curriculum based on the model “stage not age”.

### **Key responsibilities and outcomes**

- Leadership and management of all aspects of the Science Department
- Implementation of science curriculum and related projects
- Achievement of consistently outstanding teaching, learning and assessment in the sciences
- Achievement of outstanding student progress and attainment in the sciences

### **Whole LAB Activities**

- Lead and support all core LAB related activities
- Ensure employer engagement extends learning appropriately
- Promote the public image and engagement of the LAB and its specialties

### **Leadership and management**

- Performance Management - write a subject development plan, set teaching and academic targets and embed a meaningful monitoring and review process
- Participate in recruitment and selection activities
- Assist in the professional development of teachers
- Supervise and support beginner teachers and NQTs
- Develop strong employer partnerships
- Manage the department budget to ensure value for money and impact on teaching, learning and attainment
- Maintain regular and productive communication with students, parents, colleagues and partners
- Create an environment in which morale is high

### **Teaching, Learning and Assessment**

- Develop all Department teachers to ensure teaching is consistently outstanding
- Direct and supervise the work of the Science Technician to ensure value for money and highly effective provision
- Direct and supervise support staff assigned to lessons to ensure the support provided to individuals and groups is having a significant impact on academic and technical progress
- Monitor and assess teaching, learning and assessment

### **Curriculum and assessment**

- Develop and implement syllabi and schemes of work for KS4 and Post 16, that inspire, challenge and enable students to achieve high end grades
- Develop the use of ICT in the department to ensure students' IT knowledge and skills are developed in a relevant and effective manner
- Set regular, meaningful and measurable assessments for students and recognise success
- Maintain accurate student data that can be used to make teaching more effective
- Produce and contribute to oral and written assessments, reports and references relating to individuals and groups of students

### **Duties and Expectations of all teachers**

- Teach, to an outstanding level, all years, abilities and qualifications

- Play an active role in ensuring a consistently orderly, calm and stimulating environment, both in and out of the classroom based on best workplace practices
- Play a central role in the Department, including contributing to projects, tutoring and trips
- Make a vital contribution to the efficient running of the Department, including setting and marking examinations, assisting in moderation of coursework and undertaking administrative and other tasks
- Enhance the quality of teaching, learning and assessment in the Department and wider LAB through sharing resources and good practice, lesson observation, collaborative teaching, instructional coaching and active participation in CPD

#### **Other**

- Undertake, and when required, deliver or be part of the performance management system and relevant training and professional development
- Undertake other various responsibilities as directed by the line manager
- Implement consistent Health & Safety procedures in line with current regulations and write/review risk assessments for the department

#### **Notes:**

The above duties are subject to the general duties and responsibilities contained in the Statement of Conditions of Employment. The job description allocates duties and responsibilities but does not direct the particular amount of time to be spent on carrying them out and no part of it may be so construed. This job description is not necessarily a comprehensive definition of the post. It will be reviewed at least once a year and may be subject to modification or amendment at any time after consultation with the holder of the post. The duties may be varied to meet the changing demands of the academy at the reasonable discretion of the Principal. This job description does not form part of the contract of employment. It describes the way the post-holder is expected and required to perform and complete the particular duties as set out in the foregoing.

#### **Person Specification - Director of Learning for Science**

##### **Qualification Criteria**
