### Declaring relevant offences

The work for which you are applying involves substantial opportunity for access to children and/or vulnerable adults. It is therefore exempt from the Rehabilitation of Offenders Act, 1974. You are therefore required to declare any pending prosecutions or convictions you may have.

Please note however, the amendments to the Exceptions Order 1975 (2013) provide that certain spent convictions and cautions are 'protected' and are not subject to disclosure to employers, and cannot be taken into account. Guidance and criteria on the filtering of these cautions and convictions can be found on the Disclosure and Barring Service website.

Any information you do provide will be treated in confidence and will only be taken into account in relation to any application where the exemption applies.

The disclosure of a criminal record, or other information, will not debar you from appointment unless MacIntyre considers that the conviction renders you unsuitable for appointment. In making this decision, we will consider the nature of the offence, how long ago and your age at the time, and any other factors which may be relevant, including appropriate considerations in relation to our published Diversity in Employment Policy.

Failure to declare relevant offences, however, may disqualify you from appointment, or result in summary dismissal if the discrepancy comes to light.

Having read the information above on declaring relevant offences, please tick the appropriate box below:

I have read and agree to the above statement and have no relevant information to disclose:

I wish to disclose further information (please supply on a separate sheet)
