

JOB DESCRIPTION

Job Title	Clinical Lead
Location	As per contract of employment
Report to	Head of Primary Care
Hours	As per contract of employment

JOB SUMMARY

Reporting into the Head of Primary Care, the Clinical Lead plays a vital role in ensuring that the day-to-day delivery of our clinical services business runs smoothly. Utilising their in-depth Primary Care clinical knowledge, they will be able to translate legislative and operating developments into clinical service delivery designed to meet the needs of the patients and contractual requirements. In addition to the standard clinical duties, the Clinical Lead role is responsible for clinical governance at the surgery and is to provide clinical leadership in order to ensure the safe, effective and compliant delivery of services to all patients.

Their time will be split between clinical sessions, whereby they will lead by example effectively treating patients, and clinical leadership and supervision sessions where they will provide clinical guidance to their team. Working closely with the Service Delivery Leadership Team, they will be involved in the performance of their service including Key Performance Indicators, financial effectiveness, and quality schedules.

In addition the Clinical Lead will ensure that effective methods are put into place in order for their service to operate efficiently, delivering high quality care to patients.

As with all managers within OneMedicare, the Clinical Lead is expected to harness a working environment which encourages team work, energy and creativity. To achieve this, they have strong leadership and excellent problem-solving skills along with good communication skills.

The Clinical Lead will provide effective input into the work of OneMedicare, to support the achievement of our vision and values:

- Putting people first
- Working together
- A better future
