JOB DESCRIPTION

Job Title	Health Care Assistant
Location	As outlined in contract of employment
Reports To	Service Manager
Hours	As outlined in contract of employment – Additional hours may also be needed to cover holidays, sickness and busy periods.

JOB SUMMARY

To work under the indirect supervision of the registered nurse delivering high standard care in a safe environment that meets the patients' needs, whilst maintaining privacy and dignity. The Health Care Assistant will work as part of the MDT alongside a team of GPs, Nurse Practitioners and other HCAs; to support the smooth running of the urgent care service, aiding the clinical team and providing advice and care to patients whilst developing new skills.

The post holder will provide effective input into the work of OneMedicalGroup, to support the achievement of our vision and values:

- Putting people first
- Working together
- A better future

JOB RESPONSIBILITIES

Overall

- Supporting a safe and effective patient journey through the urgent care service. Working under agreed protocols to obtain vital sign measurements and prioritise patient care.
- Encouraging patients to consider changing their behaviour by providing information and practical support on a one to one basis.
- Introducing patients to relevant services to help them make better health choices such as exercising more, eating balanced meals.
- Helping patients to understand the adverse impact on making poor health choices.
- Encouraging people in different communities to work together.
- Supporting the nursing team in basic Health Care Assistant duties such as basic dressings and clinical observations
- To promote health and screening awareness in relation to primary prevention.
- To participate in the development and implementation of service/CCG guidelines and protocols.

OneMedical Group

- Work with nursing and medical teams in providing a proactive management of patients with chronic disease according to local strategies.
- Attend training events to maintain professional development.
- Ensure confidentiality is maintained at all times as per Caldicott requirements
- Covering reception duties where required

Management

- Take a role to provide high quality patient care.
- Take an active role in clinical governance
- Contribute and access clinical supervision.
- Provide evidence of ongoing personal development through appraisal and review.
- Have an understanding of and access to OMG/CCG policies and infrastructure
- To be aware of and utilise risk management strategies (clinical and organisational)
- Attend service/team meetings
- Liaise with the providers of care and agencies □ Set up and monitor developments in own practice.
- Work within the RCN code of professional conduct for Health Care Assistants

Clinical Duties

- Undertake, record and follow guidelines for the tasks for which you have received appropriate training
- Urinalysis and preparation of specimens for investigation by the pathology laboratory
- Measuring and recording following physiological measurements in routine presentations:
 - blood pressure

OneMedical Group

Communication

The post-holder should recognise the importance of effective communication within the team and will strive to:

- Communicate effectively with other team members and external suppliers
- Recognise people's needs for alternative methods of communication and respond accordingly

Equality and Diversity

The post-holder will support the equality, diversity and rights of patients, carers and colleagues to include:

- Acting in a way that recognises the importance of people's rights, interpreting them in a way that is consistent with OneMedicalGroup procedures and policies and current legislation.
- Respecting the privacy, dignity, needs and beliefs of patients, carers and colleagues.
- Behaving in a manner which is welcoming to and of the individual, is non-judgmental and respects their circumstances, feelings, priorities and rights.

Quality

The post-holder will strive to improve and maintain quality, and will:

- Alert other team members to issues of quality and risk
- Assess own performance and take accountability for own actions, either directly or under supervision
- Contribute to the effectiveness of the team by reflecting on own and team activities and making suggestions on ways to improve and enhance the team's performance
- Work effectively with individuals in other agencies to meet patients' needs
- Effectively manage own time, workload and resources

Health & Safety

The post-holder will assist in promoting and maintaining their own and others' health, safety and security as defined in the Practice Health & Safety Policy, to include:-

- Using security systems within the workplace according to guidelines
- Identifying the risks involved in work activities and understanding such activities in a way that manages those risks
- Using appropriate infection control procedures, maintaining work areas in a tidy and safe way and free from hazards
- Reporting potential risks identified

OneMedical Group

Confidentiality

- In the performance of the duties outlined in this Job Description, the post-holder may have access to confidential information relating to patients and their carers, OneMedical staff and other healthcare workers. They may also have access to information relating to the business. All such information from any source is to be regarded as strictly confidential.
- The post holder will be required to adhere to their confidentiality agreement at all times.

Note

This job description is not intended to form part of the contract of employment or to be a complete list of duties and responsibilities, but it is a guide, for information, to the job. It will be periodically reviewed in the light of developing work requirements in the role. The post holder will participate in the review.
